

**ED M 341 Instructor, Teacher Education Program (TEP) Job #JPF01521**

Reports to: Dr. Andrew Fedders, TEP Director

Primary Consideration: June 18, 2019

Applications are invited for a temporary summer part-time lecturer position at the University of California, Santa Barbara to teach ED M 341, Student Teaching: Mathematics Secondary in the Teacher Education Program. Salary is based on UCSB salary scales, and the appointment is limited to the length of the course. Reappointment in subsequent summers is possible.

Instructors are expected to attend all class sessions, read, respond, and evaluate student assignments, and assign grades adhering to all department guidelines. Additionally, instructors are expected to attend all course planning meetings.

Qualifications:

- Required: Teacher certification in the State of California or equivalent at the time of application
- Required: Minimum of three years experience as a public or private school classroom teacher at the time of application
- Additional: At least one quarter/semester experience in providing professional development services to teachers or other education personnel
- Additional: At least one quarter/semester mentoring new teachers or pre-service teachers
- Preferred: Master's degree in Education or related field, or equivalent experience
- Preferred: Prior experience with classroom supervision of pre-service teachers

Application Instructions:

Applicants should apply on line through the UC Recruit system: <https://recruit.ap.ucsb.edu/JPF01521>

Please submit a cover letter, resume and/or curriculum vita, and contact information for three references.

If you have any questions regarding this process, please contact Samantha Cole at [samanthacole@ucsb.edu](mailto:samanthacole@ucsb.edu) and list ED M 341 in the subject line.

The Teacher Education Program (TEP) is especially interested in candidates who can contribute to the diversity and excellence of the academic community through research, teaching and service.

The University of California is an Equal Opportunity/Affirmative Action Employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law.
