*Conference Theme:*

*“Assessment in the Service of Learning”*

The purpose of the 2007 Fall Conference is to thoroughly examine the role that assessment plays in schools and education, with particular attention to teacher education and teacher induction. How is assessment best utilized as a tool that serves the goals of learning at all levels of education? How do we assure that the means and methods of assessment are consistent with and appropriate to those educational goals? How do we understand and evaluate research and thereby inform educational policy at the state and federal levels to curtail and avoid assessment mandates that are not consistent and appropriate?

#### *Program Highlights*

The keynote speaker on Thursday afternoon, October 18, will be **Mary Diez** of Alverno College, and a wide range of educators from colleges and universities, K-12 schools, and professional organizations will participate in panels later on Thursday and on Friday and Saturday. The three-day program will also feature policy sessions, special interest groups, research poster sessions, a reception and banquet on Thursday, an awards luncheon on Friday, a special reception and tour at the new education building at the University of San Diego on Friday evening, a silent auction, and ample opportunities for networking and meeting teacher education colleagues from across the state. (See tentative program on next page).

# Call for Proposals for Research and Practice Sessions at CCTE Conference

The California Council on Teacher Education (CCTE) invites submission of research and practice proposals for semi-annual conferences. The theme of the Fall 2007 Conference will be "Assessment in the Service of Learning." Themes for future conferences will be announced as available. Proposals that relate to the theme of the conference are encouraged, but proposals on other topics relevant to teacher education are also welcome. Proposals are sought for several types of sessions: poster sessions, interactive sessions, demonstrations, workshops, and formal presentations, both individual and groups.

## How to Submit Proposals

Proposals must be submitted as Word doc attachments (New Times Roman, 12 pt. font) via email, and include:

- ◆ File cover sheet which lists the proposal title, names, affiliations, addresses, work and home telephone numbers, and e-mail addresses, along with an indication of whether the proposal focuses on research or practice, and the preferred session format (poster session, interactive session, demonstration, workshop, or formal presentation).
- ◆ File attachment of a maximum 3-page, single-spaced proposal without names of the presenters.

Proposals should be e-mailed to Helene Mandell, Chair of the CCTE Research and Practice Committee at:

hmandell@calstate.edu

## Deadline

Proposals for the Fall 2007 Conference must be received by August 1, 2007.

Deadlines for future conferences are February 1 for Spring conferences and August 1 for Fall conferences.

## Content of the Proposal

- ◆ A brief overview of the study/project/program session including purpose/objectives;
- ◆ Indication of significance to the field of teacher education;
- ◆ For research proposals, describe theoretical framework, methodology, and overview of results;
- ◆ For practice proposals, describe the key elements of practice, with conclusions and/or point of view.

## Criteria for Selection

The extent to which the proposal:

- ◆ Contributes to the theme of the conference, or to other significant teacher education issues;
- ◆ If a research proposal, is it methodologically or theoretically sound, with relevant findings?
- ◆ If a practice proposal, how well conceived and described is the practice?
- ◆ Clearly states its significance for teacher educators at both the higher education and K-12 levels.

## Scheduling

Persons submitting proposals must be planning to register for and attend the Conference in order to be available once proposals are accepted and sessions are scheduled. Presenters are responsible for providing their own audio-visual needs.

## Miscellaneous

Presentations at CCTE Conferences may be considered for inclusion on the CCTE website following the Conference, and may be submitted to the ERIC Clearinghouse on Teacher Education. In addition, authors who develop complete manuscripts based on conference presentations are encouraged to submit their work for publication consideration to either *Teacher Education Quarterly* or *Issues in Teacher Education*.

## **CCTE Calls for Nominations for Quality Education Partnership Award for Distinguished Service to Children and the Preparation of Teachers**

At each Spring and Fall Semi-Annual Conference, CCTE honors a teacher education program which exemplifies collaborative efforts between a college/university and a K-12 school/district. The CCTE Awards Committee now invites nominations (and self-nominations) from programs in Southern California for the *Quality Education Partnership Award for Distinguished Service to Children and the Preparation of Teachers* that will be presented at the Fall 2007 Conference in San Diego. Next winter the Awards Committee will seek nominations of programs in Northern California for the award to be presented at the Spring 2008 Conference in San Jose.

Nominations must be submitted via e-mail.

Nominees for this semi-annual CCTE award must reflect collaboration between college/university administration and faculty and K-12 school administration and faculty (individual schools, school districts, or county offices of education) in the planning as well as the implementation of the program to be honored. Eligible programs must have been in place for a minimum of three academic years. Such programs may involve public or private/independent colleges/universities and public or private K-12 schools. Nominations must show clear evidence that, as a result of the program, all partners have benefited, e.g., children, student teachers, beginning teachers, cooperating teachers, other teachers and/or administrators in the school or district, and college/university faculty.

Nominations must include the following information: the names of the leading participants in the collaborative effort; a description of the school/district/county office and its population; a history of the program, including original goals and/or research questions being addressed; a description of the perceived successes of the effort, including any synopses of evaluative data collected; and future plans for the project.

Nominations must be submitted jointly by the K-12 school/district/county office and the institution of higher education with a statement of verification by the appropriate college/university and school/district officials. Each official named in the document should send a separate e-mail verification statement.

The total nomination document should not exceed five pages.

Please submit nominations by e-mail to: [arlinda.eaton@csun.edu](mailto:arlinda.eaton@csun.edu)

The deadline for nominations for the award to be made at the Fall 2007 Conference is August 1, 2007.
