College of Education, School and College Counseling Program

The Teacher Education/Curriculum & Instruction program is one of two programs within the Division of Teacher Education in the College of Education. The vision of the College is to maintain a model of collaborative urban educational excellence. In partnership with P-14 schools, we prepare deeply knowledgeable education professionals who are passionate about helping students reach their full potential and who make urban schools the places where children, families, and teachers thrive. Accredited by NCATE and CTC, the College is recognized for preparing teachers, administrators, counselors, and other specialists who work effectively with a variety of learners from diverse backgrounds, especially those living in poverty. The Teacher Education/Curriculum & Instruction program prepares teachers and a variety of other school-related professionals through the California multiple-subject and single-subject designations as well as through the Master's of Arts in Curriculum and Instruction.
