## CCTE New Faculty Support Program Invites Applications for 2020-2021

Each academic year the California Council on Teacher Education (CCTE) will, through its New Faculty Support Program, assist new faculty to become CCTE members, to attend CCTE semi-annual conferences, and to receive mentorship about the teacher education community from experienced members of the CCTE organization.

For purposes of this support program, a new faculty member is defined as a person who is in the first five years of employment as a teacher educator at a CCTE member institution, who is not now nor has in the past been an individual member of CCTE, who is not now nor has in the past been an institutional delegate to CCTE, and who has not previously received support from the CCTE New Faculty Support Program. The purpose of the program is for new faculty to become members and participants in CCTE during any membership year, which run from July 1 through June 30.

Applications and nominations are encouraged from or on behalf of new faculty, and those who are selected for the program will receive the following benefits and will commit to the associated responsibilities:

Participants in this program will receive a CCTE individual membership for a year at a 50% discount, so that the individual dues are reduced to \$60.

Participants in this program will attend at least one CCTE Conference during the year and the registration fee will be discounted 50%. Participants will be responsible for all other costs involved in attending the Conference.

Participants will submit a proposal for a research or poster session at the Conference they decide to attend.

Participants will each be linked with a CCTE veteran who will meet with and mentor the participants prior to and at the Conference they attend.

To be considered for this program, please use the accompanying application/nomination form.
